WyldLife Kids - Pray for our Middle School kids who are struggling to figure out where they fit in. Pray that they recognize they have a Heavenly Father that loves them and embraces them just as they are.

YoungLives Girls & Babies - Pray for our mission as we seek to introduce teen moms to Christ and help them grow in their faith. There are teen moms in our backyard who are desperate for love to walk into their cafeterias, their doctor's appointments, their homes ... their lives. YoungLives is doing just that. We are reaching out to young women who have never experienced the real love of Christ.

Capernaum Kid & Families - Pray for our mission as we seek out young people with physical, intellectual and developmental disabilities and hope to give them the chance to experience fun and adventure, to develop fulfilling friendships and to challenge their limits while building self-esteem through club, camp and other exciting activities. Pray for our kids and their families to experience Christ's unconditional love and acceptance.

Young Life Kids - Pray for our high school students who are experiencing stress and pressures from the world that often times leave them unfulfilled and hurting. Pray that they may experience God's truth, grace, and love and that they may be changed by the Gospel.

New Potential Ministry - We are always wanting to reach more kids and continue to ask the Lord where He wants us to start new ministry. We are currently praying for Rowlett Middle School and for a possible WyldLife club to start there next Fall. Please join us and pray for new leaders and adult support for that potential ministry. We also pray that in the future we can have Young Life at Bayshore HS, Southeast HS, & IMG Academy.

Pray for More Leaders - There are so many kids in our county who do not know how loved they are by the Savior. We are always looking for more leaders to help us reach more kids. Pray that the Lord calls adults in our community to share not only the Gospel but their lives as well with kids in our area.

Pray for Kids Going to Camp - Our summer camps are quickly approaching and as we continue to pursue kids and invite them to camp, pray for their eyes, ears, and hearts to be open to hearing the clear proclamation of the Gospel. Pray for any distractions back home to be gone so they can fully enjoy camp. Pray for kids who can't afford camp and think they won't be able to attend- that they may talk with a leader who can help them get a scholarship so no kid will be left behind due to finances.

Pray for Palmetto Young Life - Pray for Palmetto Young Life as we are trying to develop the area. We are currently praying for adults in the community to answer a calling to serve in the ministry. We have several roles areas where adults can serve: Prayer Team, Leader, Board Member, Donor, and Advocate. Pray that the Lord rises up a team that can help support ministry in Palmetto so we can reach more teens with the Gospel!

Pray for East Manatee Young Life - The East Manatee Young Life team started club in January. They have filled all of their camp spots for this summer! Please pray for the Area Director, Kelsey Cobb, and her Board Members & Leaders as they continue to develop the area and work to reach more kids so they may hear about how loved they are by Jesus.

Pray for our Donors & Finances - Young Life is able to exist because of the overwhelming generosity of our local donors. Please pray that the Lord is gracious to remind our donors that their donations are going towards Kingdom work and that their obedience is what allows us to share the Good News with hundreds of kids in our town each week. Pray for our area to continue to be good stewards with everything given to us so that we may reach more kids with the Gospel. We want to be a generous area that uses all our resources to glorify the Lord.
